Charming holiday home for 16 guests with a fabulous location allowing many great excursions.

The beautiful yellow house Masia Gaudi is a fantastic holiday home with everything you need! The house is located just 3 km. from the small and charming village of Les Borges del Camp, with a few shopping opportunities.

When you arrive at the holiday home there is a large parking lot planted with olive trees. Behind the parking lot there is a 15x30 meter football field beautifully surrounded by an olive grove. The garden is split into several beautiful sections. For instance the playground and the sandpit which is surrounded by fig, pear and cherry trees. Another great area is the pool area in front of the house which is surrounded by a 250m² lawn. Along with the football field, there's also a volleyball & basketball field.

At the back of the garden is a large grove of fruit trees. We have the pleasure of picking oranges and pomegranates when we visited the house during spring. The entire garden is characterized by the owner's love for flowers and trees, which makes the garden a very special experience. The house is privately located and surrounded by trees all around. The road between the Priorat wine district and the beautiful regional capital of Reus runs on the other side of the bushes, which is why the road can be heard from the front yard. In Reus, you will find a lot of wonderful things to do and see, including the "Route of Modernism", with buildings made by Gaudi's disciples. The relaxed birthtown of Gaudi, Riudoms, is also nearby.

The beautiful holiday home is of 450m² and can accommodate up to 16 (+2) guests. On the groundfloor is a small chapel dedicated to Saint San Antonio. Here you will also find a beautiful room equipped with billiard. In addition, the beautiful wooden wine vessels have been preserved that can now be seen. You will also find the house's 3 bathrooms and a room with washing machine and ironing facilities on the ground floor.

On the first floor you will find the antique dining room and the fully equipped kitchen. You will also find 6 of the house's 7 bedrooms on this floor. The large bedroom "Dormien els senyors de la casa" (the master of the house's bedroom) has been preserved with its original style. This 40m² room consists of two sleeping areas, both with double beds. The room also has two balconies with a beautiful garden view. The 7 bedrooms have 3 double beds and 10 single beds. Moreover, there is a room with washing machine and ironing facilities on the first floor. On the top floor is a triple room of 40m².

Ferieboligen is perfect for a group of children due to the many good activities and the large garden. The location is also perfect, with plenty of possibility to go on some great excursions. There is only 3 km. to the nearest village, the regional capital Reus is only 7 km. away and the beaches of Costa Daurada are only 13 km away. The town of Tarragona, which is located 19 km. from Masia Gaudi is definitely also worth a visit. And if you have time, Barcelona is a 100 km. drive away.
