Is the metropolis Barcelona tempting?

Most our holiday homes are situated 1-1½ hour's drive from Barcelona. The metropolis is one of the most exiting and visited cities of Europe - well deserved! You can either visit Barcelona during your stay, or you can combine your trip, so that you stay in Barcelona some nights before or after your vacation in the Catalan countryside.

Due to this demand, we now offer a selection of **centrally located Barcelona holiday apartments**, so we can help you making a very nice combined vacation.
