In **1100 meters altitude**, situated on a **hillside with wonderful views** over the wavy landscape, lies holiday house **Can de Pirineus**. The surroundings are natural, beautiful and above all very green. Combine this with a **large swimming pool, many activities** for the kids in the holiday group and **indoor facilities in good quality**, and you will have the foundation for a great vacation.

**Ferieboligen** consists of four houses and apartments, all of which share the swimming pool of **57.5 m2 and the large garden**. They are usually rented out separately, but it is possible to have it **all for yourself** - private swimming pool and private garden in the **beautiful surroundings**.

The pool suits everyone in the holiday group. Right by the stairs into the water, there is a small, **very shallow pool**, where the smallest children can have fun in the water. The main pool is 1.5 m deep, enough for **playing and swimming**: A perfect place to be in the middle of the day when the sun is highest in the sky.

In the summer, **two sheep and several hens** go freely around on the grounds (they are shut in during the evenings and nights). The two quiet and friendly sheep, Petra and Cecilia, are for most children very **entertaining and exciting**. They generally graze on the land and help to keep the **garden neat and well groomed**. It also provides a good atmosphere to have these animals around.

The whole of Can de Pirineus consists of the following houses. They all have their own kitchen, living area, bedrooms and bathrooms:

**Era, 4 persons**: Apartment of 70 m2 with two double bedrooms - one with a double bed and one with two single beds. Both bedrooms have en suite bathrooms. The apartment has a common room with a connected, well-equipped kitchen.

located on the ground floor of the building with Graner.

**Graner, 4 persons**: Nearly identical apartment with the downstairs neighbour, Era. Likewise, with a double bed and two single beds, two en suite bathrooms, and common areas and modern kitchen.

**Noguer, 6 persons**: House of 100 m2 and three double bedrooms - two with double beds and one with twin beds. All three bedrooms have their own en suite bathroom.

Spacious common room with a sitting area, fireplace, TV, DVD, and dining table. From here, there is access to modern, well-equipped kitchen. Outdoor mini terrace and dining table.

**Grande, 12 persons**: The largest holiday building on the property with a size of 240 m2. It has six double rooms; four with double beds and two with twin beds. There are six bathrooms in total; three of them are en suite.

The ground floor is a huge common area, where there will be room for the whole holiday group - even for those who live in the smaller apartments. Here is a long dining table, sofas, TV and DVD and fireplace. The kitchen here is unique with a curved ceiling and beautiful stonewalls.

There are plenty of things to do: Firstly, there is a **soccer field** on the other side of the fence (right by the pool). Next, the owner has created a sort of "**mini-golf**" where you choose location of the holes. Finally, a small house serves as both an **activity room with table football, billiards and table tennis**. Outside, there is also a climbing frame with **slide and swings**.

For those who want to relax, there are **hammocks** in the shade of two trees.
