Apartment Cabanya 8+2P in beautiful and peaceful surroundings near the Sea

The location of Mas Margarita is amazing, as the holiday homes are surrounded by the peacefully Catalan hills and fields but **still very close to the Costa Brava beach**. When you stay at the rental home, you feel far away from everything. Despite this, there is only 4,5 kilometers to the white sand beaches and the blue sea, and 3 km to the cosy, authentic town of Calonge.

Normally the holiday homes in this distance from the great beaches are full of tourists and fake surroundings. You rarely find such a **peaceful authentic holiday home** as Mas Margarita, which offers traditional buildings, scenic environment and views.

Apartment La Cabanya is the only one of the 4 Mas Margarita apartments that is not a part of the main building, but is a private house nearby. The **nicely decorated house** offers room for **8 people** and with the possibility to accomodate **2 extra persons**. La Cabanya is placed on a hill a level higher than the other apartments. The two housings are connected by a bridge like in Castles.

At the entrance to the exclusive **house in two floors**, there is a **cozy seating area** in the shade. The large living room is traditionally decorated and with modern facilities. The room offers a dining table, **sofa and flat screen**. The kitchen possesses **everything a kitchen needs**: refrigerator, freezer, washing machine, stove, oven, and microwave.

As you walk upstairs you will reach the **4 bedrooms** and one of the bathrooms. **2 out of the 4 stylish bedrooms are doubles** and the remaining **two are twin-rooms**. The bathroom on the ground floor has a shower and the bathroom on the first floor has a nice bathtub.

The Mas Margarita apartments offer a **wide range of activities for people of all ages**. All 4 apartments have access to the **table tennis**, the children's bicycles and the toys. From the garden there are also Roman steps into the **large shared pool (12x6 m)**, which therefore is perfect for children. In addition to this there is also a **football field** and a small **playground** in the shade.

The beautiful surroundings around the apartments are characterized by the **olive trees**, the beautiful **mountains** and the Catalan forests.

The houses are located in the **corner of a nature park**, where there for example are two GR-trails. Otherwise, you have the opportunity to **take a 15-20 minute scenic walk downhill through the forest to the town of Calonge**. The walk back home will probably feel a bit longer. Therefore, it is best to drive for shopping. In addition, there are **several wineries** in the area. If you wish to taste the exclusive Catalan wines at the famous wine tastings you must book some time before your arrival. Otherwise there are also other, smaller wineries, which offer tours. Many of these tours include the possibility to pick grapes (late August or September). It is also possible to book an extremely talented chef for lunch / dinner in advance. The price depends on the meal.

There is **Wifi internet** throughout the site and in all of the houses except La Cabanya, where the Wifi signal can be weak.
