Stunning holiday home located in wonderful nature with swimming pool and a fantastic view

If you want to stay **all by yourself** in a lovely country house in the mountains, then Ferieboligen is the perfect holiday home for you! Ferieboligen offers a **unique nature experience** in lovely surroundings with grazing cows, refreshing mountain air and a view that belongs to one of the best we have so far encountered. This is a real opportunity for relaxation; **get away from the usual everyday life** and welcome the quiet and relaxing life. Despite the fact that the house seems completely isolated from the outside world, there's barely 10 minutes to a **charming village** with restaurants, as well as 10 additional minutes from here to the larger town of Olot.

The remarkable view can for instance be enjoyed from the pool area, which is a level above the rest of the garden. Here, you will find the **32 m^2 large pool**, where you can take a refreshing dip in the water. There are another two terraces on the property. One of them is covered and is the perfect spot to enjoy dinner in the light of the **excellent Catalan evening sun**. There is also table tennis on one of the terraces and a swing set for the smaller ones in the holiday group.

When entering Ferieboligen, you will notice the **lovely traditional Catalan style**, of which the interior is characterized by. The house has a of both the traditional Catalan aspect and the modern part. In this way, you will get the authentic feel without giving up on the fancy, modern facilities such as **WiFi, spa, flat screen TV** etc. Besides the 4 double bedrooms and the 5-person-bedroom for children, there is a well-equipped kitchen as well as a spacious family room with a long dining table **and a comfortable sofa area** with flat screen TV, DVD player, etc. The fifth double room is located in the annex right next to the house which has a kitchen and a double bed - almost as if it was an apartment itself.

There is a cosy village very close to the house, about 10 minutes away, with the possibility of dinner at 3 restaurants. Additionally, **the wonderful medieval town of Rupit** is situated about 8 km from the house. Here, there are several beautiful sights and unique activities you can experience. The town is for instance known to be **historically interesting** with for example unique streets made of natural stone, but is also known for the surrounding**, outstanding nature**, which offers, among other things, fantastic hiking trails and a popular, beautiful waterfall.
