Ferieboligen

Ferieboligen is a modern apartment for 6 people located in the old quarter of the nice village **Capmany**. The apartment is part of a large newly restored XVIII century house divided into 4 rural independent apartments - all with acces to the shared **swimming pool and indoor jacuzzi**. This authentic apartment and location will lay a solid base for an unforgettable holiday close to the Costa Brava beach and the Pyrenees.

In Ferieboligen you will have a **convention hall, an open lounge area with television, living room and a modern kitchen**. Here you can cook your own dinner and still watch your children playing board game in the living room or relaxing in the lounge area. The apartment has a selection of games. The kitchen has everything you need for cooking and furthermore you will have a washing machine here. There is **Wi-Fi internet and aircondition** in the apartment.

The apartment has 3 bedrooms - a master bedroom, a double room and a twin room.

The common outdoor area consists of the **swimming pool with Roman steps**, sun beds, a play ground for the children, a **BBQ and a outdoor dining area**, where you can enjoy your dinner or a glass of local cold cava.

In the building it is possible to borrow a couple of bicycles to discover the area by yourself. Otherwise they can advise you on guided walks or experience and find inspiration in L'Empordà like Salvador Dalí, Mossén Cinto Verdager and many more did.
