## Stay in cosy surroundings with huge garden and large swimmingpool

Casa Puix Miguel is a nice, large building rented as separate apartments. The building lies perfectly with many activities in the local area (read more about that below).

This apartment, Casa Puix Miguel - Roure, can accommodate up to 5 (+1) persons and consists of 2 floors. On the first floor there is a private terrace where you can enjoy your evening meal with a great view of the garden and the mountains in the background. Here too you will find two double rooms and two bathrooms, one of which is one en-suite. The apartment also has WiFi.

Upstairs, on the 2nd floor, is a nice family room consisting of a well-equipped kitchen and a living room with dining table, sofa bed and television - again with stunning views of the countryside. There is also a single room and a toilet.

The house has a very large garden with a huge swimming pool, which is secured with a fence and with deck chairs where you can relax, only to be interrupted by a refreshing swim. The rest of the garden has several patio areas and orange and lemon trees provide both shade and a touch of the Mediterranean atmosphere. In the village within walking distance, there are a few restaurants and a shop with a little of everything. Every day at 12:00, a bread van comes to the square, so you can buy fresh bread for lunch. There are larger supermarkets in La Bisbal, which is renowned for its pottery. This town is just 5 km from the house.

The house lies perfectly for all of the highlights of Costa Brava. The beginning of the nature park "Massis de les Cadiretes" is right next to the house. Here are many beautiful walks, or you can take a ride on the mountain bike or racing bike (rent this in Girona).

If you want a walk on the beach, there are plenty of options. We can recommend the "white towns" Llafranc, Calella de Palafrugell or Tamariu, where you can also find some beautiful paths for walking, and - of course - beautiful beaches. If you want a little less people, you simply choose one of the small beaches along the coast road, which are less accessible "calas".

If you like a good lunch, the area is known as "the Catalan Tuscany" where nearly every hilltop in the area has a medieval village with one or several good restaurants, many with outdoor dining in the garden. Here, we can among others mention Peratellada, Palau-Sator with its ring wall around the centre, or the town of Pubol where you can visit the Dalí Castle. The area is also known as the "Dali Triangle", and it is well worth to visit his house in Cadaquez (remember swimsuits) and the Museum in Figueres - this can be combined with the weekly market day. We recommend booking tickets in advance as the queues are long in the summer.

One thing every guest must do, is a visit to Girona, Catalonia's second largest city, which is very cosy and lively. Start in the market hall in the morning and then walk over to the ancient city centre on the other side of the river.

For longer excursions, Barcelona is a great choice, or you can take a ride up to the Pyrenees, perhaps with a stop in Besalú and Olot, and up to Camprodon.
