Casas Pratse is three nice apartments situated in the town **Taradell**, but surrounded by nature and forest on three sides. Two of the apartments are situated on one side of the owners' house and have direct access to the garden and the forest behind. The third apartments is situated on the other side of the owners' house and have a view over the landscape, with the mountains in the distance. **There is a public, outdoor swimmingpool less than 1 km. from the house.**

Piso A and B are two apartments in classic style, with nicely restored furniture. From the main entrance, you enter a **big common room with sofa corner, dining table and an open kitchen with gas stove fridge/freezer and microwave.** The apartments have **two double rooms** (in one apartment with two double beds in the other one double bed and one with twin beds) and a single room with one extra bed optional. There is WiFi Internet installed in the apartment.

Outside the front door, there is a shady porch with a view over the garden and the forest. On the big lawn below, there is garden furniture that can be placed in the sun or the shadow depending of the season and one's preferences.

The house is situated in walking distance from the town-centre with shops and some cafés and restaurants. Also, there are buses leaving every half an hour to the regional capitol Vic, only 7 km. away. In Vic there is an excellent tourist office, and the city is in itself worth a visit, not at least on market days. Within 10 km. there are e.g. golf courses, tracks for walking, and Barcelona is only about 1 hour drive away.

Apartments in Barcelona or just a visit:

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an apartment in Barcelona before or after the vacation in one of our Spanish villas.
