Strategically located between the appealing cities of Barcelona and Girona, in the unique spot of Plana de Vic (Osona region), our country house is a pleasant piece of pure nature (6.550m²), where you can enjoy -in the most complete privacy- natural life with all the amenities of a modern home.

Ferieboligen consists of a fabulous **3-floor fully equipped house** with large and bright spaces, cosy rooms with fireplaces, versatile bedrooms, multipurpose area, playroom, garage, quality, comfort and personality.

You will be delighted by our **spectacular Spa Area (swimming pool, Jacuzzi, Swedish sauna, gym, changing room, shower, W.C., solarium with sunbeds and stunning views)**, perfectly designed to enjoy both in winter and summer time.

In the summer (between June and September), where the swimming pool already is warm because of the sunny weather, the pool is therefore not heated, so you can benefit from the open doors making the swimming pool working more or less like an outdoor swimming pool. The Spa can still be heated and used.

In the colder months, it is great to have the swimming pool heated. Just be aware that the doors must be closed during your entire stay, so if the week that you are staying is warmer than usual, you can also decide not to have the swimming pool heated, so you can have the doors to the garden open. As mentioned, the Spa can still be heated and used.

Outside, you will find an exclusive garden with parking lot, porch with barbecue, panoramic viewpoint, an extensive meadow, grove and orchard from which you can taste our selection of ecological fruits.

As we are in the country side, with special wind directions a bit of smell from local farms might occur, like for most properties in the countryside.

During 2017/18, the last redecoration was carried out, redefining the distribution and updating all its corners, facilities or services to offer attractive leisure, relaxation or meeting options.

Welcome to Ferieboligen! - You will for sure enjoy!
