Enjoy your holiday in a fantastic, restored Catalan apartment in a **village house**, situated in beautiful surroundings in southern Catalonia. You can relax at the **pool** or on the roof terrace and furthermore, **the beach** at the **Costa Daurada**, the **Priorat wine district** and the historic cities **Reus and Tarragona** are only between 15 and 30 minutes drive away.

History

In the 1920's a nearby castle was restored by a local diplomat. To show his gratefulness to the work of the local stonecutter "Joanet", he was given a piece of land. Here he built the original Casa Agentena, which has later been extended several times. A few years ago, Ina and Albert decided to reform the house into a holiday home and with a fabulous result. The house is now incredibly beautiful and equipped with all **modern facilities** without compromising the **authentic atmosphere** of the house.

The Apartment

The ground floor has 2 double bedrooms, a bathroom and a large dining or meeting room with **space for 15 people**, a masonry stove and an **open kitchen** with access to the garden. This room has a projector and **homecinema equipment**. One of the bedrooms is oriental inspired and closes with an original wooden sliding door, beautifully carved in Indonesia.

Outdoor Areas

Although the house is a townhouse, it is situated as the last house in the village. Therefore, the house offers plenty of opportunities to spend the holidays outside in the beautiful Catalan summer. There are also a couple of pine trees which provide shade and where you can enjoy life in the hammock. For children there are swings and a slide. Below, there is the garden with a **swimming pool** where you can cool down and children can play. There is also a **table football**. The house has a **WIFI-Internet connection** available free of charge.

If you need more accommodation, there is a hostel with 3 rooms in the village.

Through the owners it is possible to **rent mountain bikes**, where you can either make the hard trip up to the castle or you can take the easier paths down to the coast.

Apartments in Barcelona or just a visit

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an **apartment in Barcelona** before or after the vacation in one of our Spanish villas.
