Ferieboligen

If you are looking for a luxurious holiday home, located very close to a small, authentic Catalan town, but still surrounded by stunning scenery, Ferieboligen is the perfect place for you. The holiday home is composed of five beautiful units that can accommodate up to 24 (+12) persons. The highlight of the house are the great facilities and outdoor areas, including both an indoor and outdoor pool, a sauna, a playground, paddle tennis court and two amazing chill out areas with benches and tables.

Ferieboligen also has great views, due to the high location. The holiday home overlooks the small town, located at the foot of the property. The cozy town has two restaurants, a bakery, a local church, a large playground and a football pitch, and can be reached by foot within 2-3 minutes. The garden is divided into four different levels, one level with the tennis court, one with a children's playground, one with chill-out areas and last but not least the wonderful pool area. The green garden is incredibly beautiful and we imagine that you will spend many hours here.

The holiday home is of a very high standard with traditional Catalan stone walls that give a very beautiful and authentic look. As mentioned above, the house has five "units" that have been merged, which means that you can retreat to your own private home every time and relax. There are a total of 13 bedrooms, of which 11 are double rooms and 2 are single rooms. There is a total of 11 bathrooms.

Ferieboligen is the perfect holiday home for a group looking for a property with lots of outdoor opportunities and a very high quality house with luxurious interior. Besides that, Ferieboligen's perfect location creates a lovely atmosphere as it is located close to an authentic and pleasant city while it is surrounded by beautiful scenery. Therefore, we can only recommend this holiday home.
