Ferieboligen

Ferieboligen is unique opportunity to explore the authenticity of an antique historic Catalan "Pairal" (mansion), improved with all modern facilities.

The garden (park)

When you rent Ferieboligen, you will have a **house situated in a very big "park-alike" garden**, connected with the lawn and the pool area. The garden is excellent for ball games and has many shady corners, and the big pool area with a **big swimming pool of 12 meters x 6 meters**, is excellent for relaxation and a swim on a warm Catalan summer day.

The holiday home

Ferieboligen is a **beautiful house in authentic Catalan limestone style**, and have never been for rent before, so it is a **fantastic and unique opportunity**, that it is now possible to rent this beautiful house.

Ferieboligen has **four levels** and in addition **the cellar/bodega**. For big groups, the ground floor of this house is perfect, as there will be seating for a large group around the **very large dining table**, and a **directly connected, fully equipped kitchen**. Alternatively, you can eat outside on the terrace, or if you prefer a **refreshing place for your lunch**, the **wine-cellar (bodega)**, has been equipped with a very big dining table also.

The bedrooms are situated on the upper floors. Four steps up, there is an **connecting aisle with 3 bedrooms**, a double room with private bathroom, and another double room and a twin room sharing a bathroom. In the **first floor you find 5 more bedrooms**. There is a hall with sofas and access to the bedrooms. A double bedroom and a twin bedroom share one bathroom, and 3 other double bedrooms share another bathroom.

Possible extra room: On the top floor there is a double room with a double bed and a bathroom. It can be opened if desired, but it can be quite hot in the summer, as it is under the roof and does not have air conditioning. In the summer a floor fan can be provided.

Facilities:

The kitchen are fully equipped with **dishwasher, big fridge and freezer as well as other kitchen utensils, stove and microwave**. In the house you will also find a washing machine and dryer.

As entertainment, there is a **table tennis** and a **"children's billiards"**. Also in the garden, there **two football goals**, so you can one time for all settle who is the Messi of the family.

The house **has also WIFI installed**, so those who wants to stay connected the world outside this holiday paradise can do so.

Beach, Wine and Barcelona!

The house is perfectly situated for exploring some of the best features of Catalonia. **The beach is just a moment away in Calafell** (9 km.), where you find the most **beautiful sandy beach**, and of course a selection of restaurants and bars. You can also find **restaurants and shopping** even closer in El Vendrell (6 km.) and a very local restaurant 3 km. from the house only.

You will stay in the Penedés wine district, surrounded by vineyards, and with endless bodegas offering visits. The owners are also wine producers, and they can also organise a tasting in the house as well as a paella night, where they make a **show-cooking of paella**, so you can both learn and taste. They offer a dinner (or lunch) package, where also drinks are included.

The obvious city to visit is of course **Barcelona**, which is also fantastic city. You can get there in less than an hour by car, or you can take the train. We will also recommend locally the town **Vilafranca del Penedés** (especially the Saturday market is nice) and then **Tarragona** with its beautiful roman amphitheatre and antique town centre. Please also request our activity document for the area, offering more inspiration as well as indication of where you find the local tourist offices.
