Beautiful Ferieboligen with stunning panoramic views and green surroundings

THE HOME

Ferieboligen is a beautiful rural house with room for 8 guests. The lovely home is surrounded by forest, and is the ideal place for a relaxing holiday. The spectacular panoramic views of Pedraforca, the plain of Vic, Montseny and Cabrerès are truly fantastic. Even more, Ferieboligen is charming and authentic, as the original construction elements, such as the Catalan stone walls and wooden beams. It is also designed with sustainability criteria and is accessible to people with reduced mobility.

The stunning swimmingpool is located in the front of the house and has the same magnificent view, as the rest of the house. We imagine that you will probably spend the most of your holiday right here, watching the children play and swim the day away, reading books, and enjoying the Catalan sun rays. To the left of the pool you will find the BBQ area and the large terrace, where you can enjoy meals throughout the day whilst admiring the green and lush landscape.

Inside the house you will find the large, open kitchen and dining space. The panoramic windows give the room a beautiful, natural light but also gives you yet another place to enjoy the spectacular view. The kitchen is fully equipped, and also has basic products such as scrub and soap, cloths and kitchen paper, oil, vinegar, salt, sugar and coffee. You will also find four very nicely decorated double rooms which each have private bathrooms.

LOCATION

Ferieboligen is located in El Cabrerès in the Osona region, in the municipality of L'Esquirol- a unique place for lovers of nature, silence and tranquility.

With several parks and natural areas close by and a 30-minute drive from Vic (which has the largest market in Catalonia) and Rupit, Ferieboligen offers the best of both worlds. You can also take a day trip to the vibrant city of Barcelona which is 94 kilometers away or to Barcelona's little sister Girona which is 80 kilometers away.

Nearby activities include hiking, mountain biking, mountain running, horse riding, cultural tours and much more. You are welcome to contact us for our activity documents, if you would like to have more information on this.

With regards to arrival, Ferieboligen is situated 3,5 km. from the main road. The track to the house is okay, but it has a few points where you need to drive carefully. The first day, the owner Iolanda will meet you with her van by the main road and guide you to the house. She will show you the points where you will need to drive a bit carefully. If you arrive in a low car fully loaded, she can take some of the suitcases and passengers in her van, so your car is not fully packed. It only takes 8-10 minutes from the main road, so during your stay, you will quickly get used to it. And in return, you will have a house with an incredibly unique location and a fantastic view in beautiful surroundings.
