The holiday home

Husnummer 10977

4 Persons

4 Possible extra beds

2 Bedrooms in total

2 Double rooms

2 Double beds

2 Bathrooms

2 Ensuite bathroom

Beachfront Apartment for 4 (+4) persons in Tamariu!

Ferieboligen gives you the opportunity to stay right in front of one of the most beautiful beaches in Costa Brava.

This **duplex apartment** with Seaview is situated within **walking distance of cosy Tamariu** with plenty of restaurants and shops, and of course also with easy access to the rest of Costa Brava, if you want to explore a bit.

On the ground floor there is a comfortable living room, with a sofa bed for two people and direct access to the beautiful terrace leading out to the promenade. Enjoy fantastic summer dinners just in front of the sea! On the same floor you will find the main bedroom, a **lovely suite with a double bed and a private bathroom**.

The first floor, you find the modern, **fully equipped kitchen**, so you can prepare your meals and **another double room with bathroom en suite**. Also on this floor, you find the cosy living room with an incredible panoramic view over the beach, and a sofa bed for two persons, so you can **easily stay 6 persons** in the apartment, and 8, if you also use the downstairs sofa bed.

This is **absolutely perfect for a relaxing holiday** with beautiful views and no worries. **However, if you want to be a bit active**, there is a very nice coastal walk, both for shorter walks or perhaps a longer route with a lunch stop in the next village before returning.

For longer excursions, the Costa Brava area offers **wineries**, a big variety of nice restaurants, **medieval villages** and of course you are in the **Dalí triangle** with his museum in Figueres, his castle in Púbol and his house in Cadaques/Port Lligat. Being by the Sea, there are of course also all kinds of watersports, and we will also recommend a visit to **Girona**, which is a fantastic city.

If you are two families or a bigger group, you can also rent Apartamento del Filosofo 2, of course depending on availability:
