Ferieboligen – smack-dab between Barcelona, Tarragona, beautiful nature and the Mediterranean!

Ferieboligen is a classic, charming rural Catalan home, with an **unparalleled location**! Surrounded by **scenic nature** – forests, mountains and vineyards – and situated **between** the wonderful cities of **Barcelona** and **Tarragona**, with the **house itself only being 4km away from** the wonderful **Mediterranean** Sea, you'll have the **very best** of Catalonia right at your fingertips! Explore the gorgeous nature surrounding the house by going on hikes, head to the ocean and bask in the waves, or take a trip to Catalonia's largest cities for fun, exploration and delectable food! Or relax in the **house's courtyard** – relaxing in the **chill-out area**, playing table football, or enjoying BBQ at the dinner table – or the superb **outdoor pool,** dine outside in the garden as the sun sets, or rest in the spacious, cozy indoors! Whatever you desire, staying at Ferieboligen will grant you **all your wishes** – and more! Welcome!

Cozy countryside décor

The house is a **renovated** farmhouse, originally built in **1703**, and has been **restored** and **rejuvenated** to suit all the needs of a modern-day vacation home! The house has retained its **classical charm**, with the old foundations still being the basis for the renovation, and is made of **preserved stone**, **original wood**, and – alongside the entire property – is therefore well outfitted for **ecological preservation**. Able to accommodate **up to 12 people**, and with options for extra beds, Ferieboligen is the perfect size for groups of friends and families living together.

The house's interior **design style** is a **simple** and **traditiona**l one, with attention paid to **every detail**. This creates a **welcoming environment** that is straightforward, yet comfortable and pleasing!

There are **two floors** – the ground floor and first floor. On the **ground floor**, you will find a **kitchen/living room**, **1 double bedroom** and **1 bathroom**. On the first floor, you will find a **hall**, **2 bathrooms** (**1** of the 2 contains a **bath** as well), **4 double bedrooms** and **1 bedroom** with **two single beds**.

All rooms have **air condition**. The **kitchen** comes with all basic utilities, alongside a **dishwasher**, a **washing machine**, a **toaster**, **juicer**, **microwave** and a **coffee machine**. The **living room** also comes with some board games. Bathrooms have towels and a **hair dryer**. There are linens in the bedrooms.

The house also has an **indoor courtyard**, flanked by a **porch** conjoined to the house itself; the porch has a **chill-out area**, coming with multiple comfortable chairs and cozy decorations, as well as a **dinner room/table**, and a table football setup. Soak up in the sun in the courtyard or relax in the shade of the porch – dining with friends or family by the dinner table!

Great views – great fun

The house has a **covered terrace**, perfect for breakfast and dinner by the gently chuckling waters of the **pool**, which itself is quite sizeable and comes with some loungers. Whether you're cooling down in the pool, relaxing in the loungers, or enjoying some tapas on the **outdoor terrace**, you'll be able to look out at wonderful **Catalan countryside**. Part of the reason Casa Moma is so wonderfully isolated are the **6 hectares** of **forest** and **carob trees**, and **3 hectares** of **vineyards** and **olive groves** that surround the property.

Perfect situation to explore!

Ferieboligen is also the **perfect place** to **explore**, as you have more or less **everything close by**. It is amazing that you can feel so alone, just surrounded by the olive trees and vineyards, and only a weak sound of the traffic in the distance reminds you that you are not in the middle of nowhere. You can even buy the local olive oil directly from the **kind owner Rafel**.

Despite the private situation, you are actually **only 2 km. from the nearest supermarket**, and **2,5 km. from the nearest train station** with **direct trains to Barcelona**. The nearst **beach is 3,7 km. away**, so it is a **moment by car** or a walk of 45 minutes. Or you can **rent bicycles**.

Nearby **El Vendrell** is actually a **big town** with many **restaurants**, **shops**, **supermarkets** and also a local **Paddle tennis center**. Beautiful **Sitges** is 25 minutes down the coast, or you can in **30 minutes** be in **Vilafranca del Penedés**, which is the **capital of the wine district**. We can especially **recommend to go Saturday morning**, when the **market** is on. A bit further, you have the historical and beautiful city of **Tarragona** to the south, and going north, you can be in **Barcelona** in a bit **less than 1 hour**, which does not need futher introduction.

Ferieboligen is in a **perfect spot** – **close to everything** you could ask for, but **far enough away** from the hustle and bustle for you to **relax in peace**. And with the house itself coming with **everything** you need, you'll be sure to find your stay at Ferieboligen to an **amazing** one!
