Mas de Gil - live in natural beauty and with a private swimming pool - only 45 minutes from Barcelona

Mas de Gil is the loveliest oasis located surrounded by nature and yet only 45 minutes from Barcelona.

The carefully **renovated** “masia”, which with its pastel colors gives **memories of the South of France**, is surrounded by a **large garden** with a **lovely shaded terrace area** with large table; furthermore, there is the coziest morning terrace with **sofa corners** right in front of the entrance door to the house. The garden has plenty of **fruit trees**, which provide many shady spots, and a **beautiful round swimming pool** with steps and a bench, including; you can **sit in the water** and enjoy the view.

Rustic charm - with a modern touch

Mas de Gil is essentially a **perfect mix** of the **modern** and the **charming**, rustic Catalonia - each is exemplified in the house's **architecture** and interior design. The house itself is built in **classic Catalan style** - beautiful, sand-colored stones give the house's exterior a **warm and welcoming** atmosphere, and the **rustic**, reddish-brown floor stones only enhance this impression. The **furniture** is made of **quality fibre**, and fits in **harmoniously** with the rest of the overall style of the house. At the same time, the house is equipped with **all the facilities** that are expected of a **modern holiday home**.

The house consists of **two floors** - **ground floor** and **first floor** - and has **capacity for 12 people**. There are **6 rooms** - all på first floor. If you enter through the main door on the ground floor, you will find a **entre** with plenty of space. If you go further in, you will find the **dining room** and the **kitchens** - a **classic kitchen**, with a **beautiful finish**, as well as a **modern kitchen** - right **next to each other**. There are **2 refrigerators**, four **gas burners with hoods** in the modern kitchen, and an **oven** in the classic kitchen . Here you will also find the dishwasher. Both kitchens have a sink. And next to the classic kitchen, there is a **nice dining table** where there is room - and chairs for - 12 people. There is **good lighting** in the room - both from the main door, but also from another door which also **leads out to the garden**.

On the left you will find a small hallway with a WC at the front. If you continue straight ahead from the ground floor, you enter the **living room**; here there is a **large, lovely sofa**, with coffee table and **fireplace**, a **daybed** with pillows, and a **TV** . **The lighting is**, likewise the dining room, **fantastic** with several windows from which **the sun can peek in**. Continuing to the left from the living room, you enter a **beautiful, well-maintained office/mini-library**, with an **old-fashioned desk**, and a large, **beautiful** and **charming bookcase** - it's almost like **traveling back in time** when you enter the room!

When you leave the living room, you can go up the stairs that separate the living room and the dining room. This is how you get up to **first floor**. Up here you will find a long hallway where the 6

bedrooms are - **3 bedrooms with double bed, 2 with single bed and 1 room with double bed** (adapted for older adults and children) - as well as a **bathroom with a bathtub**. There is also another bathroom with **shower**.

Catalonia at its best

The house's **garden is perfect**, both for adults and children. You are surrounded by the **idyllic Catalan landscape**, far from the noise of the city and støj - but still only **45 minutes** by car away from **Barcelona!** From the **terrace** of the house you can sit and enjoy the **view**, nothing more than **one step away from the door to the ground floor** if the heat increases. There is an additional **dining/chill-out area in the middle of the garden**, with **canopy** and a **nice table** and chairs. The garden is **adorned with beautiful trees** and bushes, and from the **beautiful swimming pool** you can look out over your little slice of paradise. The pool also has **built-in bench**, for when e.g. need to rest your legs after playing with the children, or if you just want to relax in the gently lapping water in the lovely Catalan sun.
