Enjoy a relaxing holiday in the middle of a horticulture and with less than 7 km. to the beaches of Costa Brava!

Ferieboligen is one of the most **curious** places we have. The house is a **historical farmhouse**, but now, the farmland surrounding the house is used for **horticulture**, and from the situation a **level above** the landscape, you can follow the gardening life. For the **Summer of 2024**, a **beautiful new pool area will be built**, so you can have a swim to cool down, **right next** to the **terrace area** and the barbecue. The house is much like a **central base** - from here, you can have **easy access** to many of the **wonderful sights** and sounds of Catalonia, all in a reasonably **short amount of time**! Come **experience** what the region has to offer - right here, from **Ferieboligen**!

Please note the special layout of the house:

The house has been **transformed** from a **hostel** for workers to a **holiday home**. Hence, it is important to understand that it is **still a bit of a mix** of the former and the latter. As you can see from the photos, **some bedrooms** now have a **usual layout**, when it comes to holiday homes, where **others** are **still equipped** with **bunk beds**, making the house perhaps most attractive to **groups with many children** or smaller groups.

The **bathrooms** are still “**camping style**” bathrooms. There are **3** of them in total, **two** of them with **4 toilets stalls**, **4 shower stalls** and **4 sinks**, and **one** bathroom with **3** instead of **4 of the aforementioned facilities**, so you will have **plenty** of bathroom facilities if you find the layout agreeable. If you're looking for a **spacious house** to make into your **home base** from where you can **easily explore** and access the wonders of Catalonia, this house might **just be for you**!

The ground floor and its facilities

The house has two floors and contains **8 bedrooms** in total - some with single beds, others with bunk beds, and some with double beds. The house contains **3 bathrooms** - **one** on the **ground floor**, and **two** on the **first floor**.

On the **ground floor**, you find the **sitting room**, the **kitchen**, and the **game room**. The kitchen is **industrial**, so it is **very well equipped** with an **extra fridge**, a **dishwasher**, a lot of **cooking utensils** and other **useful facilities**.

The **large** sitting room comes with a **dining table** and **3 sofas**. There is also a **TV**. There is also the game room, containing **table football**, **throwing darts** and **billiards**, and in the **garden**, you will also find a **table tennis** setup. **Plenty** of things to keep the **children** - and **adults** - **entertained**! Also on the first floor you will find **2 bedrooms** - **both** are **double bedrooms**.

You will also find **one** of the **three bathrooms** on the ground floor - its **hostel layout** still evident. There are **3 toilet stalls**, **3 shower stalls**, and **3 sinks**.

The first floor and its bedrooms

On the **first floor**, you will find **6** of the **8** bedrooms.

1 double bedroom with **one additional single bed** (ideal for parents with 1 small child); **2 rooms** with **2 single beds** and **1 bunk bed** each; **1 room** with **3 single beds**, **1 room** with **2 bunk beds**, and **1 room** with **3 bunk beds**.

You will also find **two** of the three **bathrooms**. **Both** of these bathrooms have **4** toilet stalls, **4** shower stalls and **4** sinks.

Beach and village close!

Besides the **fields with plants**, the **scenery** from the house is **abundant** with many **hills**, filled with **natural vegetation** and containing **many hiking trails/routes**, making you feel **peacefully isolated**, as if you're living in a small pocket of activity surrounded by the **beautiful**, remote **Catalan countryside**. But you are not as far away from everything as you may think; the **beaches** of **Costa Brava** are **less than 7 km.** away, and you have **various big villages** with a lot of services close by - the closest in long walking distance of **2,2 km.**

Visit Barcelona and Girona!

The house is also an **ideal base** if you would like to visit **Barcelona**, as you are **only 67 km.** away. You can **drive** there, or - if you prefer another means of transportation - there are **direct trains** from the station in **Blanes**, only **4 km.** from the house. In the other direction, the **beautiful city** of **Girona** is only **37 km.** away, and **most definitely** worth a visit as well.

So, if you are looking for a **base close to the sea**, to charming **village**, and a place from where you can **visit Barcelona** and perhaps **Girona**, **Ferieboligen** is worth considering - **especially** for **families!** We bid you a **warm, Catalan welcome!**
