Stay in small village in a beautiful cottage with private swimming pool!

Ferieboligen is a self-catered cottage with kitchen, dining room, living room with fireplace, 2 bedrooms and 2 bathrooms, wifi and pool.

The cottage is located in the middle of a peaceful valley. Surrounded by natural resources full of life such as the river crossing in front of the garden or the water pond by the pool make this house a beautiful spot to relax along with the water flowing in its surroundings.

The location and surroundings:

The house located at a very special spot, next to Merles River, as it used to be a watermill using the water of the river to power the mill. You will still overview the stream, but now-a-days, the water level varies a lot and sometimes with no water in the dry summer period. Its location makes it an ideal spot to relax, surrounded by inspiration and tranquility.

The owner Laura has given the house a beautiful design, with the scope of offering you the best comfort.

In her own house nearby, she offers the possibility of purchasing organic products from the farm, as well as other local products made in neighbouring farms. You can also order it prior to arrival (so you can find it in the fridge when you arrive) or even experience the "pick your own" in our organic orchard during your stay! (Activity available according to season).

The layout of the house:

On the ground floor we can find the kitchen, living room with fireplace and dining-room. A double bedroom with bathroom suitable for wheelchair is also located on the ground floor. The house has a second level where we can find an additional double room with a bathroom.

The outside area:

The lovely terrace is directly connected with the house, and provide you with both sunny places to enjoy the Catalan summer and shady spots, if it gets too hot during the day. And then you can of course refresh yourself in the private swimming pool. The terrace has also sun loungers, terrace table and BBQ.
