Experience the charming allure of the Catalan countryside - from Can de Gato - El Mirador!

In the idyllic countryside of Catalonia, you will find a small village, wherein the picturesque property Can de Gato lies - a charmingly rustic collection of cottages/houses, where the serene ambience radiates from the buildings themselves as much as the lovely surrounding landscape! We bid you a warm Catalan welcome to Can de Gato - El Mirador!

The cozy indoors

Can de Gato - El Mirador is a **85m² apartment**, located on the first floor of the property's **refurbished farmhouse**, occupying the entirety of the **front-facing** side. It is a very **spacious and sunny** apartment, owing to its large windows that offer **panoramic views** of the beautiful, surrounding areas.

It is structured in **three levels**; the living and dining room area, located in a **single, open-plan space**, then the **double bedroom** and finally the **loft**. The living room area has a **fireplace** and a **satellite TV**. The kitchen comes with a **fridge / freezer, dishwasher, toaster, coffee maker with built-in filter** and **microwave**.

The double bedroom comes with **1 double bed** and **1 single bed** - perfect for **parents** and the **youngest child in the travel group** to all sleep close to one another, for example. From here, there is access to a **bathroom**, coming with a **bidet, lavatory and bath**.

On the **loft**, you will find **two single beds**, and access to a **15m² balcony** with furniture for sitting, so that you can **take in the great views** while reclining in style.

If you are more than 5 persons - Extra bedroom(s) can be added to your booking!

As described, the apartment Can de Gato has a capacity for 5 persons. But if you are more than 5, Can de Gato has made the perfect solution, as they have two separate, extra bedrooms, which can be booked separately, and gives you the possibility of staying up to 5 additional persons.
