Ferieboligen – accomodation for up to 55 persons!

As a response to an increasing demand for properties with very big capacity, we have made a collaboration with Elisabet and Ines to **host groups of up to 55 persons** in the properties Casas Estamener and Masia 1750.

The two properties are both of high standard and situated less than 100 meters from each other in the picturesque village, situated in the pre-Pyrenees right between the Pyrenees mountains and Barcelona, and with only 25 minutes to the regional capitol of Vic.

You will stay in a cosy village with a couple of restaurants in walking distance and the gourmet-bakery/café in the same building with the possibility of including breakfast service.

Casas Estamener:

Since 2005, we have helped Elisabet and her family letting out the beautiful holiday homes they have. First, the **two village houses** (Plana de Vic 4P and Pedraforca 8P), and then in 2010, they converted building where they used to have the bakery into **four high standard apartments** (Llucanés 4P, Margarita 4P, Font Nova 5P and Els Munts 7P) and made a beautiful café/bakery in the ground floor facing the village street.

In addition, the back of the house was turned into **the fantastic swimming pool area with the big swimming pool (17 x 5 meters), café tables, toilets and changing rooms**, and shady corners and sunny spots. The view is stunning, directly to the Pyrenees. As you book all apartments, this area will of course be for your private use only.

Each apartment has its own kitchen and dining area etc. (you can see more details by following the links below). **For big groups, however, Casas Estamener now offer "La Coberta"**. It is a covered terrace in the garden, including terrace space to eat all together and a fully equipped kitchen, so you can cook there, while children are playing in the garden or having a swim. Or for company groups to have a cocktail or a glass of wine (perhaps even a wine tasting)

Casas Estamener offers 13 bedrooms +1 loft bedroom distributed in 6 apartments

In **Casas Estamener, you will benefit from in total 13 bedrooms and 1 loft bedroom** in the apartment Els Munts. With extra beds, Casas Estamener can receive up to 39 guests all sleeping very comfortably.

When you book the entire property, you will of course have all apartments included as well of the garden with the big swimming pool and “La Coberta”, which is a porch with fully equipped kitchen, ideal for big groups. You can see detailed information about each apartment here:

Masia 1750:

In Masia 1750, a few houses down the village street, you will find a recently reformed town house of very high quality. **The house offers 6 bedrooms to sleep 12 + 4 persons, and 6 bathrooms** (three of them ensuite).

The beautiful village house has **an indoor swimming pool with Spa and a Sauna**, which is a great supplement to the outdoor swimming pool of Casas Estamener. The house has also dining area, sitting room and a beautiful court yard. You can see more on the separate ad.

Las Masias de Estamener and 1750 can offer almost any service you need!

When renting Las Masias de Estamener and 1750, you have the **gourmet bakery with fresh bread and croissants** at your door step, and **a couple of restaurants** and a grocery store in the village in walking distance.

Moreover, i**t is the ideal place if you need more services**. In collaboration with the owner Elisabet (who also very conveniently, besides Catalan and Spanish, speaks English, some French and some German), we can help with more or less any services needed. Here are some examples:

- Breakfast service
- Catering or chef in the holiday home for other meals
- Birthday cake
- Transport/Transfer (bus or taxi)
- Excursions
- Activities (wine visit or tasting, hiking and more)
- Bicycle hire (electric or normal)
- Padel in the area
- Company facilities for meetings

Enjoy life together and still with the possibility of some privacy for each family or group member.

If you are company, you will in the same way have some more intimate spaces and then the common areas, where we can help you organizing the activities you want.

The surroundings:

The area has a lot of nice walks, and routes for bicycling. And please do not miss Catalonia's biggest market in Vic, taking place Tuesdays and Saturdays from 08:00 - 13:00 in the antique town centre. We normally stay to have lunch afterward in one of the many nice restaurants.

For day trips, Barcelona is about 75 minutes by car, Girona and the beaches of Costa Brava about 90 minutes. We also have our activity document with our personal recommendations and you will find a lot of tourist information in the holiday homes.
