Ferieboligen - a world of adventure!

Ferieboligen is an **excellent** holiday home, located 9 kilometers above the town of **Berga** at an altitude of **1,500 meters**, and is an excellent choice for those who love **mountainous surroundings** and a brisk walk and for families with children, where the property offers plenty of activity opportunities and entertainment.

Spacious and full of possibility

Ferieboligen is the **loveliest** country property with space for **26+ people**, divided into the three apartments **Gran, Pallissa and Cobert**. It is thus the perfect place if you are a larger group who would like to spend a holiday together, but also appreciate the opportunity to **retreat a little**.

At the same time, the **size** of the property offers **fantastic opportunities** for a **wonderful holiday**, **regardless of whether** you are the type who spends the holiday in or by the pool, the type who likes to compete a **little with table tennis, table football or billiards**, or the **active type** who likes a **hike** or maybe even a bike ride.

The property is so **large** that it has its own **three hiking trails**, which are nicely marked in **three colors** and connect you with some of the **many local hiking trails** that explore the many fantastic views the surrounding mountains offer. By **bike** you have the opportunity to climb the local "**Alpe d'Huez**", as the nearby mountain road is the test of strength for the local cyclists to the "**Rasos de Peguera**"

In Ferieboligen, the **children** can get close to the animals. In the **paddock** they can feed the two donkeys and the pony, and in the garden there are **chickens**, most often in the chicken coop, but sometimes they also just walk around in the bushes. The **super-sweet** owners **Jordi and Constanca** also live on the farm, and are always available, but of course also **respect your privacy**.

The Holiday Homes

The huge property is **situated on a slope**, so Jordi and Constanca have access to their terrace and garden behind the house, while the three holiday homes face the garden area with all the facilities seen in the pictures.
