Ferieboligen is a classic Catalan town house, situated in the cosy fisherman's town L'Escala on the Costa Brava coast. The house is centrally situated near the cathedral in the antique part of L'Escala with only 200 metres walk to the beach and the cafés along the small bay.

The big rooms of the house are very nicely and tastefully decorated. The part of the house, which is let out, has its own entrance. The owners live in the ground floor, and the first floor and the roof-terrace on the second floor are exclusively for the people renting Ferieboligen. The floor has two spacious bedrooms with double beds (room for an additional bed in each) and a smaller bedroom with two individual beds.

In the other part of the floor, there is a sitting room with sofas, a dining room with big dining table and an open kitchen with commodities as dishwasher, washing machine, microwave, coffeemaker and toaster. The dining room as well as the sitting room has balcony to the street. Furthermore, there is a modern bathroom with shower and bath tub.

On the top of the house, there is a very big roof terrace for your exclusive use. Here, you can enjoy the sun, eat outside or take advantage of the barbecue. Around the corner, there are lines for the laundry. By summer there will be a shadow making marquise.

Visit Barcelona or rent a holiday flat in Barcelona

An obvious excursion during your stay is a visit to the Catalan metropolis Barcelona. Experience the Sagrada Família church by Gaudi, the Ramblas, the Gothic neighbourhood, the F.C. Barcelona museum at Camp Nou, the beach etc. The distance from most houses is between 1 and 1½ hour. As one day might not be enough, many choose to combine the stay in our Spanish holiday homes with some nights in our [centrally located Barcelona apartments](#).
