Stay with a twist of luxury and authenticity - mountain view and big garden with swimming pool

You find Casas Estamener in **the heart of a picturesque village**, situated in the pre-Pyrenees right between the Pyrenees mountains and Barcelona, and with only 25 minutes to the regional capitol of Vic.

You will stay in a cosy village with a couple of restaurants in walking distance and the gourmet-bakery/café in the same building with the possibility of including breakfast service or you can just pop down to pick up your fresh croissants and other delicious pastry.

The history of Casas Estamener:

Since 2005, we have helped Elisabet and her family letting out the beautiful holiday homes they have. First, **the two village houses** (Plana de Vic 4P and Pedraforca 8P)

Then in 2010, they converted building where they used to have the bakery into **four high standard apartments** (Llucanés 4P, Margarita 4P, Ferieboligen and Els Munts 7P) and made a beautiful café/bakery in the ground floor facing the village street. These four apartments situated on **1. and 2. floor can be accessed by elevator**, making them **very suitable for elderly people and people with reduced mobility**. In addition, the elevator makes it very convenient to get the suitcases to your apartment.

The fantastic garden and swimming pool:

In addition, the back of the house was turned into the fantastic swimming pool area with **the big swimming pool (17 x 5 meters)**, **café tables**, toilets and changing rooms, and **shady corners and sunny spots**. The view is stunning, directly to the Pyrenees.
