Ferieboligen is a really nice holiday home, restored in the typical style of the region. The house is situated in **green surroundings just below the Pyrenees**; hence one can see the Pyrenees rise from the garden. The house is also peaceful and creates the perfect setting for a holiday with the best possibilities to “recharge the batteries”. Additionally, there is a lovely pool area - located so that the whole countryside is open why cooling off in the swimming pool - quite a unique view!

The house itself is really nicely decorated and this is a house where everything works as it should! In the ground floor is the **lounge and kitchen** and a very beautiful and traditional **dining room** (although you will probably be dining on the **terrace** most of the time). **The kitchen has all modern amenities** and here the style is beautiful and authentic. On the ground floor is also a double bedroom and a bathroom. On the first floor are three double bedrooms and one single room and another bathroom. Two of the 4 rooms on 1 floor have its own small terrace overlooking the beautiful Catalan countryside.

The house has a front yard and a backyard. At the entrance to the front garden is a **covered terrace with BBQ, outdoor kitchen and table tennis** and this is probably where you will enjoy the long warm summer nights. Within walking distance (about 2 km.) from the house is the tiny village of Mont Major. Here is a wonderful **deli** with excellent sausages and hams, a **Tabac**, a small local **bar**, a **restaurant** and a small **mushroom museum** (in the region is a big volume of mushrooms collected in the autumn). Definitely a great house for a large family! Three km. from the house is also an excellent restaurant with very reasonable prices - try here their “menu del dia” which is served daily between 1:30 p.m. to 4:00 p.m.

Apartments in Barcelona or just a visit

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an [apartment in Barcelona](#) before or after the vacation in one of our Spanish villas.
