By the driveway winding between the fields you arrive to **Massia Ferreras**, which is a lovely country house where the owner has constructed two apartments in one of the buildings. The house is situated on a small hill, providing a fine view over the landscape with green fields with the owners' more than 500 grazing sheep.

Ferieboligen lies on the ground floor of the lodge with direct access to a **private terrace** with garden and wonderful views. When you live in the apartment, you can freely use the property's many amenities such as **pool, table tennis, mini golf course** and there are also **2 mountain bikes** available.

The apartment consists of a 45 m2 large living room with kitchen, large dining table, a sofa corner and exit to the terrace, which has both a covered and uncovered part. A beautiful arched hall leads down to the two very large bedrooms, one with three beds and bathroom, the second with a double bed, bathroom, a sitting area and direct access to the terrace.

The apartment has a very high standard and the surroundings are beautiful and peaceful.

See also [Piso Ballard](#), which has three double rooms.

Apartments in Barcelona or just a visit

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an [apartment in Barcelona](#) before or after the vacation in one of our Spanish villas.
