Masia Cloxanet in connection with nature

The property is ecological, surrounded by cultivation and olive plantations, all with eco certification (CCPAE). In the house you will find a guide to see and recognize the native birds and the edible plants that you can find around the house.

Masia Cloxanet is also pet-friendly. Carla and Marti is happy to welcome your dogs and they even offer "dog-sitting", in case you would like to go on a full day trip to Barcelona or elsewhere, where it is complicated to bring your four-leg family member :-)

The kind and active owners Carla and Marti live nearby, and if you travel with children, they are welcome to come and say hello to the sheep and feed the chickens. You might even be lucky that they have a lamb.

They also offer a brunch- or tapas experience with products from the area (sausages, bravas, wine, cheese, eggs, village bread...).
