On Sunday up to 40 farm workers went to the main house, where they went to church and Sunday dinner was served. Today, there are arranged two holiday homes on the site and the three rear houses (not visible from the cottages) inhabited by the friendly catalan owners and their adult children. Apartments in Barcelona or just a visit

The advantage of the geography of Catalonia is that Barcelona is situated in the middle. You can reach Barcelona in 1-1½ hours from most of our holiday homes, so it is easy to visit the city during your stay. In addition, many choose to combine a stay in the country side with an **apartment in Barcelona** before or after the vacation in one of our Spanish villas.
