Historic and comfortable holiday house in the heart of the medieval town Pals

If you dream of staying in a 15th century medieval town house of very high standard, **Ferieboligen** offers this unique opportunity.

The town of Pals is situated on a top of a small hill, and therefore you have a panoramic view from the fantastic roof terrace over the Empordà area and can enjoy the **sunset over the Mediterranean Sea**, less than 5 km. from the house.

Pals is an extraordinary medieval town, and it attracts a lot of guests from all over the world, so you will have many **restaurants** and **shops with gourmet products** in walking distance. When renting the house, you will have a private parking space in the antique neighbourhood.

From the main square of Pals, where you also find the tourist office, you take the road up through a beautiful arch and after about 200 meters, the house is situated on your right-hand side.

3 steps up, you enter the “ground floor” of the house with kitchen, sitting area with TV and a completely new bathroom with shower. **The kitchen is very well equipped** with much more kitchenware than one usually find in a holiday home, as well as fridge, freezer, microwave, oven, ceramic hotplates, **dishwasher**, toaster, coffee maker and food processor. Furthermore, there is a **spacious dining room** with dining table and French balconies.

Additionally, the house is very well-equipped with **three TVs, DVD, WIFI-internet** as well as a computer available for the guests, also with Internet and radio, **washing machine and dryer**. Furthermore, the **house is air-conditioned**.

On the next floor in this **beautifully decorated house** with an authentic atmosphere, you find the **three double bedrooms**, two of them with French balconies. Two of the rooms have double beds, and one is equipped with two big single beds. Additionally, there is space for 1-2 beds if necessary. On this floor, you also find the second bathroom of the house.

The top floor is the pearl of the house. Inside, there is a spacious living room with sofas and TV, decorated with historical pieces from the area and from the double doors, you have access to the **very big roof terrace**, where you have the most **stunning view** over this beautiful part of the **Costa Brava area**, with the small medieval villages on each hill top inland, and the coastal area with beach resorts and cliffs. **Watching the sunset over the landscape** while having meat on the barbecue, or just a glass of red wine or a cup of coffee, **is a true stress-killer**.
