Here is everything you'll need. The 'themes' of the holiday home is spaciousness, modern design, authentic atmosphere and private surroundings.

Your holiday in Mas Carbassa will **be very peaceful** as the house is privately situated. However, the authentic town Ponts is only 12 km away, where you can shop or go to a restaurant. The house is located on the top of a small hill, which provides a breathtaking view of the **beautiful landscape** that is dominated by fields and trees. In the background of the house, the majestic Pyrenees rises with its snow-capped peaks.

The owners of the home have done a great job with the interior design. It is on purpose that you can sense the house's **original foundation and style** behind the **modern and beautiful design**. In addition, it is taken into account that the house has to be **spacious and large**, which automatically makes you relax more while on vacation.

The indoor pool with heated water contributes to the luxurious style of this holiday home. From the pool, you can enjoy the view through large windows. There are two large suites in the house. One consists of two floors with a nice wooden table with matching chairs and a couch, facing the windows in the **lower floor**. From here it is a great pleasure to enjoy the spectacular view. If you walk up the stairs, there is a large double bed and a flat screen TV - which can be found in all the bedrooms. **The second suite** is very spacious and has two double beds. In addition, there are two large semi-circular view windows and a seating arrangement. For the suite is an en suite bathroom with a large bathtub. For all bedrooms, there are en suite bathrooms. These are all very modern, spacious accommodation and there are a total of 3 bathtubs and 6 showers spread over the 7 bathrooms. **The kitchen** is like the rest of the house of high quality and includes microwave, dishwasher and oven. In the next room is a long dining table with room for everyone. In continuation of this dining area is a cozy sofa area with fireplace and great views over the countryside.

There is for each bedroom French balconies, and the house has two large roof terraces where you can enjoy dinner followed by the always beautiful sunset.

Right in front of the house are loungers from which the sun can be enjoyed. Besides you can withdraw into the shadow under the covered pati, with BBQ grill and dining area - a very obvious place to eat in the summer. There is also a fridge and sink.
