All bedrooms have their **own modern bathroom (en suite)**. This apartment is furthermore 90 m². Generally is it that it is decorated very authentic with great respect for the **original materials and structures**. This, combined with a lot of rural details, creates a true Catalan atmosphere. The apartment has a nice kitchen with **oven, stove, dishwasher** and similar equipment. There is also a **washing machine**. In addition there is a small lounge area with a soft couch and a TV. In the same room is a staircase that goes up to the apartment's second floor, where two spacious and beautifully decorated bedrooms are located.

There are two shared facilities that particularly stand out. Firstly there is the **wonderful pool of an entire 40 m²**, which has a **fantastic view** over the mountains and woods. Secondly, there is a very special **spa / wellness area**, which includes the following:

- **"The Flotarium"** - is a special tub in which the water has a density equal to the Dead Sea - it means that one almost floats on top of the water. This is said to be extremely pleasant and relaxing.
- **"Turkish bath"** - is a kind of sauna where the temperature varies from 20 ° C to 50 ° C, depending on which height you are in. The relative humidity is at 99% and therefore there will be the typical "fog".
- **"Sauna"** - normal sauna, where hot rocks warms up the room to 80-90 ° C
- **Indoor pool and massage chair.**
