The house has in total **5 rooms**, sleeping **12 persons**. 2 more beds are optional. At the lower floor there are two rooms, one of them adapted for **disabled**, a bathroom, livingroom, diningroom and **kitchen with all facilities**, e.g. dishwasher. At the upper floor, there are 3 rooms and 2 bathrooms.

Outside, there are swings, an activityroom with tabletennis and toys for smaller kids. The house has a covered terrace, where you can enjoy your meals and perhaps a glass of wine in the warm catalan evenings. Below the house, the **poolarea** with lawn, sunbeds and the children-friendly swimmingpool provides the perfect base for daytime relaxation. The view over the forest and the mountains is excellent.

Is the metropolis Barcelona tempting?

Most our holiday homes are situated 1-1½ hour's drive from Barcelona. The metropolis is one of the most exiting and visited cities of Europe - well deserved! You can either visit Barcelona during your stay, or you can combine your trip, so that you stay in Barcelona some nights before or after your vacation in the Catalan countryside.

Due to this demand, we now offer a selection of **centrally located Barcelona holiday apartments**, so we can help you making a very nice combined vacation.
