Pisos Koral - are three identical apartments, placed next to each other. Enjoy life in the huge garden or by the large swimming pool. The green surroundings and the Catalan summer guarantees a tremendous vacation.

Piso Koral is an apartment with **two double rooms**, a bathroom and a kitchen/living room with dining table. Just outside the front door there is a mini-terrace, where you can enjoy the view.

In Casa Koral, however, one is not a lot inside, as the house has a fabulous, huge garden with different terraces, which can be used as you like. Use the covered terrace for lunch when the sun is burning and enjoy your dinner under a tree with a view over the fields and the mountains in the distance. There are a lot of playing facilities for the children and in a corner there is an enclosure with ducks and geese. In the activity room there is a table tennis. Enjoy life at the big pool area with sun-beds, tables and of course **the large 12x6 metres swimming pool**.

Reviews from previous guests:

The house is a great place for families with children, as it is far from roads and other dangers. The garden is open, so you will always be able to keep an eye on the family so you can allow yourself to relax.

Beautiful countryside surroundings and a fabulous pool. Safe gardens. Lovely ancient town of Salsona nearby for shops and market. Villas lovely, not huge or luxurious, but good for a family of 4.
