4 Tripple rooms

350 (m2)

12 Single beds

4 Double beds

8 Bathrooms

Stunning holiday home with a peaceful atmosphere and green surroundings - yet less than a one hour drive to Barcelona

Ferieboligen is a beautiful holiday home from the 18th century. The house is an architectural gem, with stunning natural lighting and Catalan characteristics such as the classic lime stone walls and wooden beams. It is located on the border between the regions el Bages, and Bergueda and Lluçanès. Ferieboligen lies in the heart of nature in between hills and green surroundings, creating a peaceful atmosphere - perfect for relaxation and long walks.

In front of the house is the fantastic pool area, with a 4 x 11 meters swimming pool and comfy sun loungers. The pool area has a spectacular view of the famous Catalan mountains Montserrat (some claim that it is the unofficial symbol of Catalonia). We can assure you that the evening view when the sun goes down will be a particularly beautiful sight! There is also a football field and playground for younger children in the garden.

The 350m2 large holiday home can accommodate 20 (+5) guests. The standard setup is 8 bedrooms - four double rooms and four triple rooms. However, most of the beds can be moved, giving you flexibility to decide how you would like the beds to be distributed before arrival. It is also possible to have an extra 5 beds set up for the extra large holiday group.

Ferieboligen is large house with three levels. Each level has a common lounge area, all modernly decorated with light colors and furnishing in light wood. There are 8 bathrooms in total, 5 of which are ensuite. There are also two kitchens, one which is located next to the very large roof terrace with BBQ - very practical for preparing outdoor meals. There are also two indoor dining areas; one of them is big enough for the entire group to dine together, but also giving you the possibility to dine separately. Both kitchens are fully equipped and include a microwave, a dishwasher and a washing machine. There is also a cool cellar for storing delicious wine and food.

All in all, Ferieboligen is a truly unique holiday home, perfect for a large holiday group that values privacy, beautiful surroundings and an authentic Catalan atmosphere.
