In **1100 meters altitude**, situated on a **hillside with wonderful views** over the wavy landscape, lies holiday house **Can de Pirineus**. The surroundings are natural, beautiful and above all very green. Combine this with a **large swimming pool**, **many activities** for the kids in the holiday group and **indoor facilities in good quality**, and you will have the foundation for a great vacation.

Ferieboligen consists of four houses and apartments, all of which share the swimming pool of **57.5 m2 and the large garden**. They are usually rented out separately, but it is possible to have it **all for yourself** - private swimming pool and private garden in the **beautiful surroundings**.

The pool suits everyone in the holiday group. Right by the stairs into the water, there is a small, **very shallow pool**, where the smallest children can have fun in the water. The main pool is 1.5 m deep, enough for **playing and swimming**: A perfect place to be in the middle of the day when the sun is highest in the sky.

In the summer, **two sheep and several hens** go freely around on the grounds (they are shut in during the evenings and nights). The two quiet and friendly sheep, Petra and Cecilia, are for most children very **entertaining and exciting**. They generally graze on the land and help to keep the **garden neat and well groomed**. It also provides a good atmosphere to have these animals around.

This apartment of **70 m2, Ferieboligen - Era 4 + 2P**, are closest to the pool and is located in the lower floor with another apartment upstairs. With **two double bedrooms** with one double bed and two single beds, it is **perfect for the family**. There is a **combined living room and kitchen**, which means that the whole family can be together at the same time. The ceiling is beautifully constructed with beams and the walls are made of stone, which together provides an **authentic feel of a Catalan farmhouse**.

The **kitchen is well equipped** with washing machine, microwave, dishwasher, oven, and other necessary tools. Additionally, there are **two bathrooms with shower**.

There are plenty of things to do: Firstly, there is a **soccer field** on the other side of the fence (right by the pool). Next, the owner has created a sort of "**mini-golf**" where you choose location of the holes. Finally, a small house serves as both an **activity room with table football, billiards and table tennis**. Outside, there is also a climbing frame with **slide and swings**.

For those who want to relax, there have been set up **hammocks** in the shade of two trees.
