A charming holiday apartment suitable for two couples or a family. the apartment has a calm, harmonious atmosphere. History
Having let out two excellent, modern equipped country houses for some years, the family decided to restore the nearby building into four more rustic apartments of high quality. Furthermore, the ground floor was turned into a **large café** with more room for guests in their popular bakery/café. Here you can eat your breakfast or a quick lunch if you prefer, or just go down to buy fresh **bread and croissants for your breakfast** in the apartment.
