Apartment La Sala 7+1P in natural surrounding, big pool and beach and village close by

The location of Mas Margarita is amazing, as the holiday homes are surrounded by the peaceful Catalan hills and fields but **still very close to the Costa Brava beach**. When you stay in the rental home, you feel far away from everything. Despite this, there is only 4,5 kilometers to the white sand beaches and the blue sea, and 3 km to the cosy, authentic town of Calonge.

Normally the holiday homes in this distance from the great beaches are full of tourists and fake surroundings. You rarely find such a **peaceful authentic holiday home** as Mas Margarita, which offers traditional buildings, scenic environment and views.

Apartment La Sala is the **large apartment** in the the Mas Margarita main building. With this apartment you will also have a terrace and two seating areas, which are shared with the Mas Margarita-El Forn apartment.

The apartment for **7+1 persons** is located on the **1st floor** in the main building. When you pass the through the shared activity room, you will reach La Sala and the large living room. The **living room** is beautifully decorated in traditional Catalan style with modern features. In the living room you will find two beautiful dining tables, three couches, a coffee table and a **television**. A great place to relax! On the walls of the apartment there are various paintings and wall murals providing a homely atmosphere. **The fully equipped kitchen** with washing machine and dishwasher is connected with the living room.

La Sala has **2 double bedrooms** with 2 large, comfortable double beds and also **one room for 3 people** in 3 single beds. The rooms continue the authentic and comfortable style. There are also **two bathrooms** - one with shower, and one with a nice bathtub, where you can relax in the late evening.

The Mas Margarita apartments offer a **wide range of activities for people of all ages**. All 4 apartments have access to the **table tennis**, the children's bicycles and the toys. From the garden there are also Roman steps into the **large shared pool (12x6 m)**, which therefore is perfect for children. In addition to this there is also a **football field** and a small **playground** in the shade.

The beautiful surroundings around the apartments are characterized by the **olive trees**, the beautiful **mountains** and the Catalan forests.

The houses are located in the **corner of a nature park**, where there for example are two GR-trails. Otherwise, you have the opportunity to **take a 15-20 minute scenic walk downhill through the forest to the town of Calonge**. The walk back home will probably feel a bit longer. Therefore, it is best to drive for shopping. In addition, there are **several wineries** in the area. If you wish to taste the exclusive Catalan wines at the famous wine tastings you must book some time before your arrival. Otherwise there are also other, smaller wineries, which offer tours. Many of these tours include the possibility to pick grapes (late August or September). It is also possible to book an extremely talented chef for lunch / dinner in advance. The price depends on the meal.

There is **Wifi internet** throughout the site and in all of the houses except La Cabanya, where the Wifi signal can be weak.
