H064 Masia Salto – Floor Plan description

Masia Salto is a beautifully renovated holiday home with two units. The small units is in level with pool and terrace and accessible also with limited mobility.

The kind owners live as neighbours and will leave you with full privacy but also be available if you have questions or doubts in any regard.

The very big swimming pool is a new type with an eco-system without any chemicals and working a bit like a normal lake. It is fantastic! In addition the wellness area, which can be used against a supplement, as it consumes a lot of energy.

Here, you can see the distribution of facilities and bedrooms, with possible extra beds (supplement apply) indicated:
