

H165 Castell Vilfort – Bedrooms

Castell Vilfort has a price structure, where the **base price includes 20 persons and 7 bedrooms**. The idea is that if you are 20 persons only, you do not have to pay for 30 places, which is the maximum of the house.

Below, you can see which bedrooms will be included when you rent for 20 persons. Some of them will then be converted into 3-beds- or 4-beds bedrooms. You can see which rooms are big enough to have extra capacity.

SUPPLEMENT will apply, if you are more than 20 persons, or if you are less than 20 persons, but you wish to have more than 7 bedrooms available during your stay.

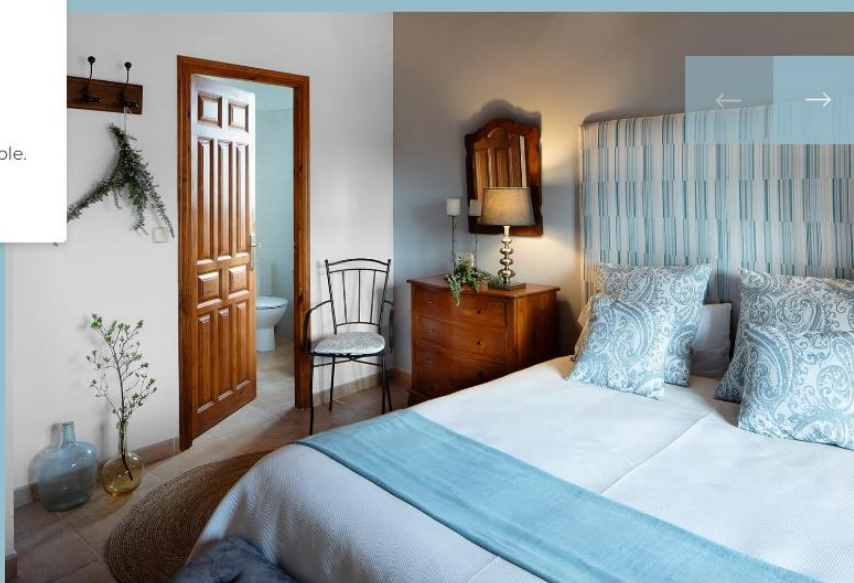

We have made this document, so you can easily see, which bedrooms are included in the rent, and which can be added against supplement. You are welcome with questions.
